Below are a range of activities for you to complete independently whilst we are learning about Under the sea. You will be set these tasks by your teacher as part of the YAW Gwaith Cartref Cycle.

### Literacy

1

Write a fact file about a sea creature  
**Gold**- include introduction, heading, subheadings, picture and any measurements or sizes of sea creatures.  
**Silver**- Include heading, subheadings and pictures.  
**Bronze**- Fill in the template for a sea creature of your choice.

2

Task- Write an acrostic poem linked to the ocean.  
**Gold**- include adjectives and a simile. Use a word that is at least 6 letters long.  
**Silver**- include adjectives. Use a word that is at least 5 letters long.  
**Bronze**- Use template to complete poem.

### Numeracy

3

Task- create a graph to show how many fish there are.  
**Gold**- draw and label axis, draw bars, add a title.  
**Silver**- draw bars.  
**Bronze**- complete sheet.

4

QR code showing ideas of creatures you could draw.

Create pictures showing symmetry. Choose creates that live in the ocean.

### Topic

5

Create a poster explaining why plastic pollution is bad for the ocean. Include a heading, information and pictures.

6

Create a piece of artwork based on The Great Wave by Hokusai, a Japanese artist.

Tick off and date the ones you have completed
