EVERY MINUTE COUNTS!

ARRIVE ON TIME, READY TO LEARN

Good punctuality is the first step to success.
Let's help every child make the most of every school day.

WHY BEING ON TIME MATTERS

- Children settle quickly into learning ✓
- Improves concentration and progress ✓
- Builds positive routines and responsibility ✓
- Helps children feel confident and prepared ✓
- Maximises learning opportunities ✓

LEARNING LOST THROUGH LATENESS

5 MINUTES	late every day =	4 DAYS of learning lost per year	
10 MINUTES	late every day =	7 DAYS of learning lost per year	
15 MINUTES	late every day =	11 DAYS of learning lost per year	
20 MINUTES	late every day =	14 DAYS of learning lost per year	
Minutes may seem small, but they add up to big losses in learning.

IS MY CHILD TOO ILL FOR SCHOOL?

Coughs and colds
It's fine to send your child to school with a minor cough or cold. If they have a fever, keep them off school until the fever goes.

Cold sores
No need to keep your child off school. Avoid sharing items like cups and towels.

Conjunctivitis
You don't need to keep your child away from school. Get advice from your pharmacist. Encourage your child not to rub their eyes and to wash their hands regularly.

For more information and guidance on issues such as Covid 19, Ear infections, Hand foot and mouth, Headlice, Impetigo, Ringworm and many more, visit:
