HOW DO I USE MY KNOWLEDGE BOOKLET?

4 simple strategies to memorise information:

LOOK, COVER, WRITE, CHECK

1) LOOK at a box of information, a diagram, or the definition of a word.

2) COVER it up

3) WRITE down the information/definition or draw the diagram from memory.

4) CHECK your work and use a different colour pen to correct any mistakes.

Keep doing this until you get it completely right

FLASHCARDS

- 1) To make a flashcard, write a question on one side of a piece of paper/card, and the answer on the other.
- 2) Mix up your flashcards from different subjects.
- 3) Use them to quiz yourself or a friend.

The best flashcards are simple, numerous and overlapping.

FILL IN THE BLANKS

- 2) Fill in the blanks without looking at the original.
e.g. 14th October ...10...6...6... : The Battle of ...H...a...sti...n.g.s

BRAIN DUMP

- 1) Without looking at it, write down everything you can remember from your Knowledge Booklet on a piece of paper.
- 2) When you're done, compare what you've written to the original to see if you've missed anything.

HOW TO USE QR CODES

- 1) Open the camera on your device.
- 2) Hold your device over a QR Code so that it's clearly visible within your screen.
- 3) The device will automatically scan the code and a pop-up will appear on your screen. Tap the pop up to open the link.

You will use your Knowledge Booklet consistently throughout the entire half term. It will play a crucial role in your lessons, homework, and revision. Your teachers will provide guidance on which sections to concentrate on at any given moment.
