HOW DO I USE MY KNOWLEDGE BOOKLET?

4 simple strategies to memorise information:

LOOK, COVER, WRITE, CHECK

1) LOOK at a box of information, a diagram, or the definition of a word.

2) COVER it up

3) WRITE down the information/definition or draw the diagram from memory.

4) CHECK your work and use a different colour pen to correct any mistakes.

Keep doing this until you get it completely right

FLASHCARDS

- 1) To make a flashcard, write a question on one side of a piece of paper/card, and the answer on the other.
- 2) Mix up your flashcards from different subjects.
- 3) Use them to quiz yourself or a friend.

The best flashcards are simple, numerous and overlapping.

Q: What is an integer?

A: A whole number.

Q: What is the mathematical word for a whole number?

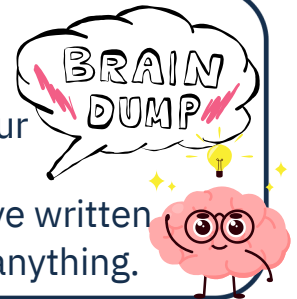

A: An integer.

FILL IN THE BLANKS

- 1) Copy out part of the Knowledge Booklet with key words, formula, dates, etc. missing.
- 2) Fill in the blanks without looking at the original.
e.g. 14th October ...10...6...6... : The Battle of ...H...a...sti...n.g.s

BRAIN DUMP

- 1) Without looking at it, write down everything you can remember from your Knowledge Booklet on a piece of paper.
- 2) When you're done, compare what you've written to the original to see if you've missed anything.

HOW TO USE QR CODES

- 1) Open the camera on your device.
- 2) Hold your device over a QR Code so that it's clearly visible within your screen.
- 3) The device will automatically scan the code and a pop-up will appear on your screen. Tap the pop up to open the link.

You will use your Knowledge Booklet consistently throughout the entire half term. It will play a crucial role in your lessons, homework, and revision. Your teachers will provide guidance on which sections to concentrate on at any given moment.

CWRE
RSE

If you see either of these acronyms (CWRE/RSE), this is what they mean:

CWRE: This task is giving you an opportunity to explore a job role or future career/job skill.

RSE: This task will be linked to relationships and sex education
